

Suet Link Model SL

Use the **Suet Link (SL)** to hang suet cakes or additional feeders under any Droll Yankees threaded feeders, including tubular feeders, **Dorothy's Cardinal Feeder (DCF)**, **Little Flyer 4 (LF-4)** and **Happy Eight 2 (H8-2)** Hummingbird Feeders, shelter feeders, and **X-1 Seed Saver® Feeders**.

The **Suet Link (SL)** may also be used to attach seed trays such as the **A-6 Seed Tray (A-6T)** or **Omni Seed Tray (OMT)**, which will help to catch fallen seed while also protecting the feeder beneath from bird droppings.
