

Model SWH-8 Safety Wrap Hook

The Ultimate
Pole System

#20

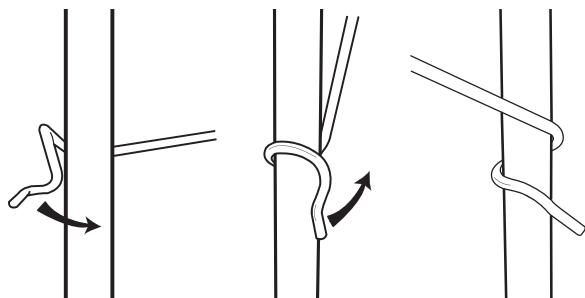

Model SWH-8

- Functional 8" steel hook wraps around a 1" diameter pole
- Ideal for hanging your bird feeder, plants, wind chimes or garden art
- Easy twist-on installation

This black, powder-coated steel hook wraps onto a 1" diameter **Garden Pole (GP)** to hold a feeder at any height on the pole. The end has a loop detail that prevents wind or bouncing squirrels from dislodging the feeder.

The Safety Wrap Hook will
hold up to 10 lbs

Installation:
Simply twist onto 1"
diameter pole.
